Subject: Urgent on Exide

Steven and Deldi,

There have been serious allegations from the Exide workers working on the soil sampling:

1. Health and safety violations
2. Racism by supervisors working for the contractors
3. Evidence tampering

We are calling an emergency CAG meeting for next week. Stay tuned! I am out of the office after 10 am tomorrow and you can reach Cynthia if you need more details. DTSC is investigating.

Cordially,

Jane Williams
